Innovative, Known for Many "Firsts!"

- **We are into our 40th year!** Our doors initially opened to the public on March 15, 1983, in San Francisco on Fisherman's Wharf.
- We were the **FIRST** bakery in the world to create and serve the White Chocolate Macadamia Cookie, 1983.
- Our name is based on "Blue Chip" stocks wall street theme, meaning "the best, highest quality."
- Guittard Chocolate created the **FIRST** white chocolate chip for Blue Chip Cookies in 1985 because of our popularity of the White Chocolate MAC!
- Baked from scratch, we use only the finest ingredients: AA real butter, pure vanilla, specialty flour, cane sugar, gourmet chocolates, and more.
- Simple to complex; sweet and salty; sugar and spice; traditional and specialty.
- We were one of the **FIRST** mail-order gourmet cookie businesses, which started in 1984.
- We now have 7 locations currently that bake and serve Blue Chip Cookies: Milford, OH; Basehor, KS; Gardner, KS; Lansing, KS; Leavenworth, KS; Leawood, KS; Newport, KY. Coming soon stores in Dallas, Texas area.
- Our E-commerce Store and Corporate Gifts ship nationwide and to Canada. All online and corporate orders ship from our Milford, OH Corporate Facility.
- In 1987, the original owner of Blue Chip Cookies, Matt Nader, created the **FIRST** National Cookie Day which falls on December 4th of each year. #NationalCookieDay
- We were named **FIRST** Place, as "best cookies" in 10 Cities! San Francisco, San Diego, Atlanta, Cincinnati, Kansas City, Houston...just to name a few.
- We have over 25 flavors, only in December do we reduce our portfolio to 15-18, due to the surge of business during the holidays. Our cookies are simply delicious.
- Privately owned by Donna Drury-Heine and Bob Heine for the last 15 years, the 3rd owners and now the longest owners, since 1983. A woman-owned business, our corporate office, and baking fulfillment facility are in Milford, OH, outside of Cincinnati, OH.
