1 PREPARE

Once you've had a chat with Donna, keep an eagle eye out for a fancy order form with the Address Template Attached. Take a moment to double-check that it's just what we talked about. The brilliant team over at Blue Chip will grab all the essential ingredients, whip up any custom goodies, and give your address list a good once-over. Just remember, we'll only accept addresses through our form.

2 PAYMENT

Dough time! We're happy to take your dough for our dough via American Express, Visa, Mastercard, and Discover, with a little discount for you savvy savers out there. Just remember, to nail down your shipping date, you'll need to pay the full amount beforehand for cookies and shipping. And speaking of shipping, double-check that delivery address, please! We don't want any unexpected charges landing in your lap due to a typo.

3 PROCESS

We take the hassle out of sending your sweet cookie treats. Once you've picked out your gifts, we'll handle the rest, including tracking them all the way to your door in 1-3 shipping days. And, to keep you in the loop, we'll ping you an email when your goodies are on their way and when they've safely arrived. **The average shipping for 12-14 cookies is \$11.95 nationally.**

4 POLICY

Our goods are on the delicate side, so once they're out the door, they're off to their new home. Sorry, no take-backsies. On the off and small chance that your package doesn't make it to its intended destination due to an oopsie with the address, a change of plans, or even a wild weather spell, we can't be held responsible. All sales are final but we will look at each situation and see what we can do to make it a SWEET experience.
