October

Pumpkin Spice Doodle

Celebrate the flavor of fall with our Pumpkin Spice Cookie. Our Pumpkin brings cinnamon, nutmeg, and clove for that classic pumpkin spice taste, making it the perfect seasonal treat to share (or keep all to yourself).

November

Apple Pie Crumb

Our classic sugar cookie gets a delicious autumn twist — baked with tender apple-cinnamon pieces and finished with a buttery crumble topping. Soft, chewy, and full of warm spices, this cookie is like a slice of apple pie wrapped in sugar-cookie goodness.

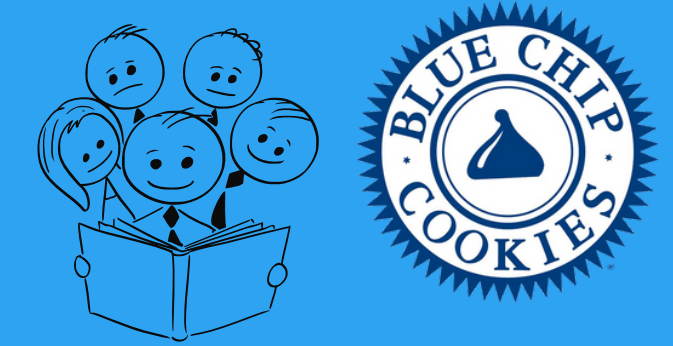

December

White Chocolate Peppermint

A holiday classic with a sweet twist — our buttery sugar cookie is baked with creamy white chocolate and sprinkled with crushed peppermint candy. Soft, chewy, and delightfully minty, it's the perfect mix of cool peppermint crunch and smooth white chocolate sweetness.”
